

Online Business Card Web Design Package

Jamaxx Web Design is offering an introductory web site package for small businesses and organizations wanting to get their feet wet in the ocean of the World Wide Web. If you are looking for a basic web presence to enhance your other marketing strategies, like printed business cards, brochures, flyers, advertisements, etc, this may be an ideal option for you. The inclusion of a Web site address, pointing to your site, can give your company more credibility and potential customers access to extra information and exposure to your company branding, in an effective and affordable way. This 1 page introduction package is a \$550.00 value, but Jamaxx is offering it now, at a **special value price of \$250.00.**

What You Get:

- Two hours of visual site design services. Whether you have a specific design in mind or you want to let Jamaxx create a design for you, you will have a visually appealing site to represent your business, with an eye towards increasing your company's branding.
- **Your Business Card Package will contain :**
 - Up to 6 images (supplied by you), and a logo if you have one to supply.
 - Contact Information including an email link.
 - Up to 3 links to web addresses outside of your site
 - Written content (supplied by you in text file or Microsoft Word format). This content will be static content with basic information, introducing viewers to your company or organization, and it's products or services.
- Consultation and recommendation on the design of your site, and writing content that will improve search engine rankings.
- Uploading of your site to your web-hosting server (Jamaxx offers free recommendations and assistance in acquiring a hosting server account and domain name).
- Submission of your site to the Google search engine and the DMOZ open directory project.
- Eligibility for discount site maintenance and upgrading, 60 days after the completion of your site.

Your site will be **fully upgradeable**. Sixty days after the purchase of your initial site you become eligible for the reduced rates of Jamaxx Web Design maintenance and upgrading (**up to 50% savings**). **You may include additional pages and features to this package at regular costs for those services.**
