

## WEB DESIGN PACKAGE FOR CHILDCARE AND DAYCARE CENTRES

Jamaxx Web Design is offering an introductory web site package for businesses offering childcare and daycare services. This 3 page introduction package is a \$850.00 value, but Jamaxx is offering it now, at a **special value price of \$400.00 !**

### **What You Get:**

- Two hours of visual site design services. Whether you have a specific design in mind or you want to let Jamaxx create a design for you, you will have a visually appealing site to represent your business, with an eye towards increasing your company's branding.
- An introductory or "home" page, containing content supplied by you, to introduce your company and the child care services you offer
- Two other pages you can have customized to your needs, with content supplied by you. Some ideas for the use of these pages might include information on schedules, staff qualifications, certification, facilities, activities, policies, etc.
- **Each page will contain:**
  - Up to 6 images (supplied by you), and a logo if you have one to supply.
  - Contact Information including an email link.
  - Written content (supplied by you in text file or Microsoft Word format).
  - A menu of links to each page on your site.
  - Up to 3 links to web addresses outside of your site.
- Consultation and recommendation on the design of your site, and writing content that will improve search engine rankings..
- Uploading of your site to your web-hosting server (Jamaxx offers free recommendations and assistance in acquiring a hosting server account and domain name).
- Submission of your site to the Google search engine and the DMOZ open directory project.
- Your site will be **fully upgradeable**. Sixty days after the purchase of your initial site you become eligible for the reduced rates of Jamaxx Web Design maintenance and upgrading ( **up to 50% savings**). **You may include additional pages and features to this package at regular costs for those services.**
